

Certificate of Appreciation *2020 Call for Nominations*

Nominate an unsung hero in your community today!

At Autism Nova Scotia, we strive to cultivate a community that supports the understanding, acceptance, and inclusion of individuals with autism in the everyday life of our province.

These efforts are made possible by the countless unsung heroes who actively practice these values in their day-to-day lives. In this spirit, we are pleased to announce the call for nominations for Certificates of Appreciation that recognize the achievement and dedication of these incredible individuals across our province.

Whether they are an individual, team, organization, employer, or professional, we want to hear about how they have fostered learning, acceptance, accessibility, and inclusion of Autistic Nova Scotians.

Perhaps they are an individual with autism who has made a difference their community or achieved an accomplishment that deserves recognition, an employer that fosters the success of Autistic employees, or a bus driver who befriends their Autistic passengers and goes above and beyond to support them. These are just a few examples of the unsung heroes that make the lives of Nova Scotians on the Autism Spectrum better every day. Please join us in recognizing their contribution and submit a nomination today.

Certificates of Appreciation will be presented in a virtual ceremony in December - details to be announced.

Please submit the attached nomination form by ***Friday, December 11, 2020*** via email, fax or by mail to the attention of: Robyn Bradshaw - rbradshaw@autismns.ca
