

ACADIA
UNIVERSITY

Participants Needed

**Do you want to participate in research at
Acadia University?**

The Acadia Psychology Department is searching for teenagers with and without autism aged 12-17 years to take part in a study looking at how people pay attention in different ways.

What is Involved?

Answering questions and playing puzzle-like games on the computer.

Earn up to \$40 for participation.

Want to Participate?

We are available weekdays, weeknights, and weekends.
