### PROVINCIAL PRESCHOOL AUTISM SERVICE INTAKE FORM

*Use this form to refer any child residing in Nova Scotia who is **not yet in Grade Primary** to PPAS for autism services. If you are seeking an autism diagnostic assessment in addition to other PPAS services please complete the Preschool Diagnostic and Intake Referral Form. Only one referral form is required.*

**PPAS Clinical Intake and Care Coordination matches to all PPAS services (see PPAS Handout):**

Autism Diagnostics, QuickStart Nova Scotia, Communication Services, Focused Intervention, Early Start Denver Model-Informed Service, Intensive Service, Foundational Education, and Care Coordination and Navigation. PPAS's Clinical Intake and Care Coordination Team will contact the family to **schedule an intake appointment** and match the child to services based on eligibility, child needs, and family priorities.

| CHILD INFORMATION:                                                                                                            |                                                                                                              |                                                                                                         |                                    |
