Step Two:

Use your credentials to login to the Amilia platform. If you applied for Camp this year, you can use the same email and password. If you don't already have an account, you can create an Amilia account [HERE](#).

The Amilia login form features the 'amilia' logo at the top. Below it are two input fields: 'Email' and 'Password'. The 'Password' field has a 'Forgot password?' link to its right. A blue 'Log in' button is positioned below the password field. Underneath the button is a line with the text 'or continue with' followed by four social media login options: Google, Facebook, Microsoft, and Apple. At the bottom, there is a line of text stating 'By signing up or logging in, you agree to Amilia's Terms of Use and Privacy Policy.' and a link that says 'Don't have an account? Sign up'.

This version of the Amilia login form shows the 'Email' field filled with 'swansonron356@gmail.com' and the 'Password' field filled with '*****'. The 'Forgot password?' link remains to the right of the password field. The blue 'Log in' button is still present. Below the button is the same 'or continue with' section with Google, Facebook, Microsoft, and Apple login options. At the bottom, the same terms and conditions text and 'Sign up' link are displayed.

**Please note, you can reset your password by clicking [HERE](#).*
